

CAMP SMLEDNIK v Dragočajni

GB

There is a camping site Smlednik on the left bank of Sava river by Zbiljsko jezero(the Lake of Zbilje) only twenty kilometres from capital of Slovenia(Ljubljana), ten kilometres from historic towns Kranj and Škofja Loka.

It extends on about four hectares of green land and can accept four hundred guests.

It has been here for more than forty years.

Its surroundings - forest and grass - offers a relaxation

**The Place
of Relaxation and Peace**

The guests can choose sunny places the ones in shadow; near the lake or a little aside.

We also provided for contemporary objects, necessary for the comfortable settlement: toilets, suitably arranged electric junctions, rooms for washing and clothes.

Camping

There is a lot of place in the camping place. The guests can choose their place alone.

How can you come to the camping place?

Bungalows

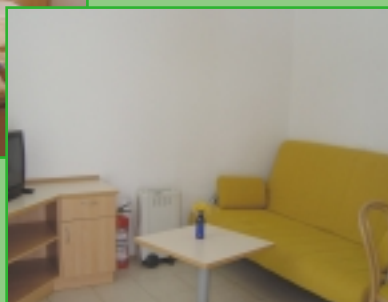

The bungalows are provided for the guests without tents and caravans and make them possible be in the camping site.

The bungalows, they measure 36 m2, include:

- sitting room with the kitchen,
- bedroom,
- bathroom

Every bungalow has got four beds.

Nudist resort

We didn't forget the nudists. We reserved a part of the camping place for them.

Their part includes the own part of the bank, toilets and electric junctions.

Activities

The guests who love water will be lying by the river or the lake of Zbilje and take an occasional swim.

The guests who like the active holidays can use playgrounds for tennis, volleyball, basketball, table tennis.

It will be very relaxing to play chess surrounded by grass or bowls.

The green nature is very nice for taking a walk, cycling in near and something longer surroundings.

The camping place is the starting-point for trips to the historic towns nearby like Kranj, Škofja Loka, Kamnik and of course to visit the capital Ljubljana. The Kamnik Alps are also not far from camping place - so it can be a starting point for mountaineers, too.

Eat and drink

There is a little restaurant in the nice surrounding of the white beech forest.

The camping site also has a shop where the guests can buy necessary goods for careless holidays.

The guests can also use the special places for picnics together with the tables and the spit. The picnic in such a nice surrounding is really an unforgettable experience.
